REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: I have the honor to submit herewith an amendment to the Code of Fair Competition for the Light Sewing Industry Except Garments. The amendment, which is attached, was presented by the Code Authority.

Notice of opportunity to file objections to this amendment was given and no objections were received.

The amendment provides that Sub-section (d), Section 2 of Article VI of the Code shall be omitted and the provision contained in the Executive Order dated April 14, 1934, making the payment of the costs of administering a Code of Fair Competition mandatory upon all members of the industry, is included.

FINDINGS

The Deputy Administrator in his final report to me on said amendment to said Code having found as herein set forth and on the basis of all proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For the above reasons this amendment has been approved by me.

HUGH S. JOHNSON,
Administrator.

MAY 22, 1934.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE LIGHT SEWING INDUSTRY EXCEPT GARMENTS

The Code of Fair Competition for the Light Sewing Industry Except Garments shall be amended by omitting sub-section (d), Section 2, Article VI, and inserting the following:

"(d) It being found necessary to support the administration of this Code in order to effectuate the policy of the Act and to maintain the standards of fair competition established hereunder, the Code Authority and Divisional Committees are authorized, subject to the approval of the Administrator:

"(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes and to meet such obligations out of funds which shall be held in trust for the purposes of the Code and raised as hereinafter provided.

"(b) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary.

"(1) An itemized budget of their estimated expenses for the foregoing purposes, and

"(2) An equitable basis upon which the funds necessary to support such budget shall be contributed by all members of the Industry receiving the benefits accruing from the maintenance of such standards, and the administration thereof.

(c) After such budget and basis of contribution have been approved by the Administrator to determine and secure equitable contributions as above set forth by all such members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

"Only members of the Industry who comply with the requirements of the Code and contribute to the expenses of its administration, as provided herein, and assent in writing to the Code, shall be entitled to participate in the selection of the members of the several Divisional Committees and to receive the benefits of their voluntary activities or to make use of any National Recovery Administration Insignia. Failure to contribute to the expenses of the administration of this Code, as provided herein, shall constitute a violation of the Code."
